

<b>UK Product Name</b>	MAK Nectar paste (MA4 )	<b>Code Name</b>	MA0004
<b>Availability</b>	Stock item in UK		
<b>Description</b>	<p>For full spectrum super-anti-oxidant power. Nourishes all the major body systems.</p> <p>Amrit Nectar enlivens the bodies inner intelligence at a very fundamental level and supports all the following factors:</p> <ul style="list-style-type: none"> <li>- The three types of mental function; acquisition, retention, and recall.</li> <li>- Metabolic transformations, digestion, the emotions and their effect on heart function.</li> <li>- The mind, nervous system, respiration, circulation and elimination.</li> <li>- Moisture balance, physical structure and strength.</li> <li>- The sequential transformation of the seven tissues, one into the other —plasma, blood, muscle, fat, bone, bone marrow and reproductive fluid.</li> <li>- The microcirculatory channels that transport nutrients and energy and can be blocked by improperly digested impurities.</li> <li>- The production of ojas, the finest product of digestion and the master coordinator between consciousness, matter and immunity.</li> <li>- The vitality and strength of the mind and body.</li> </ul> <p>Herbal Masterpiece</p> <p>Amrit epitomizes the Ayurvedic principles of sanyoga -- precise combination -- and sanskar -- meticulous processing. Thirty six whole herbs and fruits are combined in precise proportions in this powerful formula to create synergy -- a whole that is more powerful than the sum of its parts.</p> <p>The ingredients read like an honour roll of revered Ayurvedic herbs -- Amla, Haritaki, Indian Asparagus, Aloeweed, Jal Brahmi etc. ... Amrit is still prepared using the age-old formula prescribed in the traditional texts and passed down by generations of Ayurvedic physicians. It takes 250 meticulous steps to prepare. Twenty-two pounds of raw ingredients are required to produce a single jar of the Amrit Nectar.</p> <p>The herbs are slow-cooked to protect vital nutrients from high temperatures. This precise adherence to tradition and detail ensures that you get an authentic product of unparalleled quality.</p>		

## Ingredients

Botanical Name	Common Name	Plant Part	Rank	%	Quantity(mg/10g)
Saccharum officinarum Linn.	Sugar Cane	juice of stem	1	61.78	6,178.0
