

UK Product Name	Lip Balm (Rose)	Code Name	MA1696
Availability	Stock item in UK		
Description	Helps keep lips soft, moist and healthy		

Soothe and protect your lips
 Dry, chafed lips? Try our all-natural lip balms for soothing comfort, nourishment and protection. The main ingredient is Castor oil, which has many benefits for the skin including antiviral and ant microbial properties. Skin Soother (MA3508) is a complex blend of many herbs which help the skin respond effectively to environmental challenges such as sun, drying and cold. Olive and almond oils nourish the skin and Vitamin E gives antioxidant protection against the sun and damaging free radicals. Marshmallow and Inula are soothing and help protect the skin.
