Description A delicious coffee like blend of roots and seeds that has good antioxidant properties and supports digestion and mental faculties. Caffeine free.

The Rajas - kings - of ancient India drank a nourishing Ayurvedic beverage for strength and overall well-being. Now you too can enjoy the health benefits and rich-roasted flavour of Rajas Cup. This coffee like drink is a precise blend of four health promoting herbal roots and seeds - Clearing Nut, Coffee Senna, Liquorice and Aswagandha. It give support to digestion of fats and is very beneficial after a heavy meal.

Published research shows that Raja's Cup has hundreds of times the antioxidant power of vitamin C or vitamin E. And it tastes delicious too! In a blind taste test, coffee drinkers thought that Rajas Cup was actually coffee. Caffeine-free, Raja's Cup can be enjoyed any time of day — after meals, at breakfast or before bed
