

UK Product Name Trikatu with Clove (MA99) **Code Name** MA0099

Availability Stock item in UK

Description Helps keep digestion strong

Trikatu, 'the three pungents', contains ginger, black and long peppers. It is an important combination used by itself and in many Ayurvedic formulations for its cleansing, digestive, and stimulating effects. It increases bioavailability either by supporting rapid absorption from the gastrointestinal tract.

Trikatu supports the health of stomach and GI tract and upper respiratory tract. Its stimulates the secretion of digestive juices, increases appetite and balances gas in the stomach.

Action

A herbal compound that provides a natural and safe support system for gastric function associated with gaseous distension. Trikatu is a safe digestive, carminative, antifatulent and is effective in dyspepsia. It improves gastric function.
