

Maharishi AyurVeda - Public Information

UK Product Name MAPIT Facial Cream Pitta **Code Name** MAPITFCP
Availability Stock item in UK

Description For Normal-Sensitive Skin
 Pitta Face Cream is a natural liquid crystal emulsion formulated to deeply hydrate and nourish the skin, while valuable skin care oils restore the skin's natural protective barrier. It is ideal as a daily skin care treatment for all types of skin, particularly Pitta skin types - easily irritated and prone to reddening. It contains active ingredients that work to refresh and soothe the skin, helping to maintain the health of blood vessels and resistance to irritation.
