| 13   | Product description   | 14 | recommended use  |
|  | Shatavari roots gently dried (less than 42 °C) and finely ground. We exclusively process plants from organic cultivation. The powder conforms to the guideline values of raw foods. |    | Take 3 tablets daily. Do not exceed the recommended dose. Food supplements are not a replacement for a normal, varied diet. Keep out of reach of small children. The recommended dose contains: 1485 mg root powder, thereof 564 mg saponines. |
| This is a natural product, depending on origin and year of harvest deviations in appearance (shape and color) and texture can occur. |   |    |  |
