Availability	Stock item in UK		
Description	<p>Ginger and other aromatic spices make this hot and spicy tea into a reviving drink. It is especially good for cold, wet weather, in spring and at breakfast.</p> <p>Add zest to your life</p> <p>A stimulating blend of spices that perk up body and mind, Kapha Tea is guaranteed to wake you up. 100% herbal Kapha Tea is a caffeine-free alternative to coffee, great for early mornings or damp, cold days. Includes Ginger, Pepper and Saffron.</p> <ul style="list-style-type: none"> -Dried ground ginger is a warming spice, contributing the pungent taste. It helps pacify Vata and Kapha and increases Pitta. It is included in many Maharishi Ayurveda formulations because for its numerous health promoting qualities. -In Ayurveda cloves are considered to enhance circulation, digestion and metabolism. -Black Pepper is an important spice because of its cleansing and antioxidant properties. It enhances bioavailability by helping to transport the benefits of other herbs to the different parts of the body. It also helps the free flow of oxygen to the brain, helps enhance digestion and circulation and stimulates the appetite. -Cardamom is tridoshic (good for balancing all three doshas). Cardamom is considered an excellent digestive, especially beneficial in keeping intestinal gas in balance. It is excellent for keeping the mucous in the stomach and the lungs in balance. -Turmeric is ubiquitous in Ayurvedic cooking. It contains the flavanoid curcumin, which is known to have anti-inflammatory properties. This all-around wonder spice is said to help detoxify the liver, balance cholesterol levels, maintain resistance to allergies, stimulate digestion, support immunity and enhance the complexion. It is also an antioxidant. -In ayurvedic cooking, saffron is used widely: in desserts, vegetable dishes and to season rice. It is used for both its royal colour and delicate aroma.
