

Maharishi AyurVeda - Public Information

UK Product Name Amlaberry (MA7001) **Code Name** MA7001
Availability Stock item in UK

Description Supports muscular development, rejuvenation, mind-body coordination, eye function, digestion and skin hydration.
Processing the fruit of the Amla with its own juice in a 21 step process enhance its benefits including its muscle building action that is useful for all types of athletes. Amla is unusual in that it stimulates digestion without increasing acidity. Amlaberry nourishes the skin cells and helps increase their moisture levels, reducing the signs of ageing.
