

Maharishi AyurVeda - Public Information

UK Product Name Blissful Sleep - Basic (MA1778) **Code Name** MA1778

Availability Stock item in UK

Description Supports natural sleep and refreshment. It is not habit forming.
Enjoy a more restful, more refreshing quality of sleep
A really good night's sleep can help you awake with quite confidence. You feel recharged, rejuvenated. The Blissful Sleep herbal formula helps you get a deeper, better quality of sleep every night, helping you feel more vital and alive the next day. The herbs in this synergistic formula produce a soothing, balancing effect on the body, mind and emotions.

Herbal Masterpiece

The herbs in the Blissful Sleep formulae are combined in precise proportions and prepared in the traditional Ayurvedic way. This improves the bioavailability of vital nutrients. It also creates synergy -- the collective benefit is much greater than that of isolated, individual herbs.

- Indian Valerian is a natural herbal sleep-aid with a settling influence and has been used in Ayurveda for centuries.
- Aswagandha helps resistance to stress, and helps balance the mind and emotions.
- Rose Petals increase soma (the cooling lunar energy element) in the physiology.
- Indian Tinospora is a powerful rejuvenative and helps to nourish and cleanse the body.
- Aloeweed is a medhya herb, known to be balancing for the mind.
